AS SAD AS IT IS,  
THIS IS SOMETHING THAT HAPPENS OFTEN WHEN  
WE TAKE SEVEN BOYS AROUND... TT . TT

(OF COURSE THERE ARE MA~NY PLACES THAT ARE  
WELCOMING TO CHILDREN AS WELL!! ^^)

◀For A While▶

A RARE RELATIONSHIP -  
TWO SISTERS WHO GET ALONG

IT'S BEEN GETTING HARDER AND HARDER TO MEET UP  
SINCE OUR **SEVEN SONS** WERE BORN— A.A.G.

There are many times when leaving kids  
to play on their own can end in disorder

It is said that, although bothersome, it is good to have  
at least one adult who decides on the rules,  
maintains order, and joins the children in play.

So that the children can have a more fun and  
safe time... Something everyone knows?!

Good luck Daddy (P) !!
